Student-Supervisor
and Early Career
Researcher Conference

Unil
UNIL | Université de Lausanne

CEUV

LAUSANNE, SWITZERLAND

6th – 8th September 2017

A valuable opportunity for PhD students and young researchers in the field of health economics to present their ongoing research and receive important feedback from experienced health economists and their peers.

The conference is an excellent platform to advance your early stage research with input from an international audience. It provides the possibility to network with colleagues and to be motivated by plenary sessions from acclaimed speakers in a stimulating academic and social environment.

The logo for the conference, featuring the word "HEALTH" in a bold, white, sans-serif font. The letters are set against a dark blue background that has a jagged, blocky edge on the left side, resembling a city skyline or a bar chart. The letters are slightly shadowed, giving them a 3D appearance as if they are floating above the background.

ABOUT THE CONFERENCE

On behalf of the European Health Economics Association (EuHEA), the Swiss Society of Health Economics and the Interfaculty Health Economics and Management Platform of the University of Lausanne we would like to invite you to attend the 4th EuHEA PhD Student-Supervisor and Early Career Researcher Conference.

The objective of the conference is to provide an opportunity to PhD students and young researches to present their research and have it discussed in depth by a senior health economist and fellow young researchers with expertise in their field of study. Hence the conference provides an excellent platform to advance a thesis chapter or research manuscript, network with your peers and gain new insights and collaborations with others interested in your topic.
