

7th Annual CIBM-CHUV-MR Retreat

Wednesday/Thursday/Friday September 4 – September 6
2019

Goals

- Promote unity in our MR research family in a relaxed atmosphere and free of daily commitments.
- Provide a platform for communication among MR sub-specialties to generate new ideas and stimulate new collaborations.
- Critical review of on-going research projects and future directions.
- Tribute to scientific excellence and achievements.
- Dialog and knowledge exchange among basic scientists, clinicians and industry.
- Foster local, national, and international relations.
