

POSTDOCTORAL RESEARCH IN JAPAN ?

Are you interested in taking your research to Japan and working with leading groups in Japanese universities and other institutions?

The Japan Society for the Promotion of Science (JSPS) is offering Postdoctoral Fellowships for Overseas Researchers to citizens and permanent residents of Switzerland, who are currently affiliated to a Swiss institution. All fields of the humanities, social sciences and natural sciences are included in the programme.

Fellowships last from 12 up to 24 months and must start between 1 July and 30 November 2023.

Included in the fellowship awards are:

- Round-trip air ticket
- Settling-in allowance
- Monthly maintenance allowance
- Overseas insurance coverage
