Bilateral Research Collaboration between Switzerland and Latin America 2020 Grant Information and Grant Writing Workshop

Friday, September 11, 2020, 13:00

The Leading House for the Latin American Region invites you to its **2020 Grant Information and Grant Writing Workshop** led by Mark Kyburz from the HSG Writing Lab.

The workshop offers insights into and techniques for grant writing. It also provides a great opportunity to have better comprehension of instruments from representatives of funding agencies and research networks within Switzerland.

The Grant Writing Workshop will be conducted via Zoom <https://unisg.zoom.us/j/94621121866> (no password needed).

More information about the Leading House can be found on our website: <https://cls.unisg.ch/de/forschung/leading-house>
