350 TALENTED PARTICIPANTS FROM UNIL, EPFL & OTHER UNIVERSITIES
100% MOTIVATED LIFE SCIENTISTS

50% Master’s & Bachelor’s students
50% Early career researchers

Quality guarantee: all safety measures necessary for your comfort will be put in place. In case of health emergencies and strict restrictions by the Swiss Federal Office of Public Health or within your company, full reimbursement is guaranteed.
The BioScience Network Lausanne (BSNL) invites you to participate in the 10th edition of the Life Science Career Day (LSCD), organized in collaboration with the Faculty of Biology and Medicine of the University of Lausanne. The event will take place on May 12th, 2022, at the SwissTech Convention Center.

LSCD helps young scientists to discover, prepare for and get excited about career opportunities in industry and other organizations. The event consists of lectures, workshops and round-tables led by an experienced and renowned moderator, and much more!

Indeed, the highlight of our event is the Networking Forum, where company booths are presented. Participation in the Networking Forum is an excellent opportunity to promote your company and attract new talents from UNIL, EPFL and other Swiss universities. Hosting a booth will allow you to both increase your visibility and meet motivated and skilled graduates (including future graduates) who are eager to learn more about your company.
Join us at the SwissTech Convention Center!

Auditorium B (350 seats) / 40 booths (2m x 2m per booth)
