LSCD IN SHORT

The BioScience Network Lausanne (BSNL) invites you to participate in the **12th edition of the Life Science Career Day (LSCD)** organized in collaboration with the Faculty of Biology and Medicine of the University of Lausanne. The event will take place on **May 2nd, 2024** at the **SwissTech Convention Center**.

LSCD helps young scientists to discover, prepare for and get excited about career opportunities in industry and other organizations. The event consists of lectures, workshops and roundtables led by an experienced and renowned moderator, and much more!

Indeed, the highlight of our event is the **Networking Forum**, where company booths are presented. Participation in the Networking Forum is an excellent opportunity to **promote your company and attract new talents from UNIL, EPFL, UNIGE and other Swiss universities.** Hosting a booth will allow you to both **increase your visibility and meet motivated and skilled graduates (and future ones)** who are eager to learn more about your company.
